Project Proposal

Web Engineering Project
CSE 3200

Project Name: Tourism Management System

Project Team Members:

    1. Maisha Israt Munny   ID:180201037
    2. Khandakar Faisal Rashid Shahriar   ID:180201040
    3. A .A Sakib   ID:180201043

Level: 3   Term: II

Department of CSE, 8th Batch.

Project Supervisor:

Md. Al-Hasan
Assistant Professor
Department of CSE
Bangladesh Army University of Science and Technology

Project Proposal:

The proposed system is designed to be more efficient than the manual system. It invokes all base tasks that are now carried out manually, such as the forms transactions and reports which is added advantage. The proposed System is completely computer-based application. Thousands of records can searched and displayed without taking any significant time.

Advantages of the Proposed System:

- Gives accurate information

- Simplifies the manual work

- It minimizes the documentation related work

- Provides up to date information

- Friendly Environment by providing warning messages.

- Travelers details can be provided

- Booking confirmation notification

Project Description:

Tourism management system is used to book a tour from anywhere in the country by a single dynamic website which will help the user to know all about the places and tour details in a single website. The admin can add packages to the website from a certain travel agents and hotels by create a tour page. Then the users can sign in and book each project, they can be confirmed by the admin in their manage booking page. The user can see the confirmation in their my booking page. It is a dynamic website for tourism business. It allows the user of the system access all the details such as location, events, etc.

Feature Description:

1)Admin

2)Users

Users—

- User can register yourself.

- User can log in with valid email and password.

- Forgot Password(user Can recover own password)

- Tour Booking

- Manage Booking

- Change Password

Admin–

- Admin can create Package

- Manage packages (Create,Update)

- Manage Users

- Manage Inquiries

- Manage Issues

- Manage Booking

- Manage Pages

- Change Password

- Admin Dashboard
